

Use DiSC in Your Church

Christian churches and ministries use DiSC to enhance relationships and encourage positive situational outcomes.

Use for:

- Building a stronger leadership team.
- Promoting healthier results-based negotiations.
- Enriching marriage/family counseling.
- Aiding in hiring staff
- Facilitating outreach team training.
- Promoting better congregational relationships

DiSC is easy! Whether administered as part of a retreat, workshop, or Bible study, it will enrich the learning. No consultants are necessary. If you want handouts, activities or take home study suggestions, there's the DiSC Biblical Facilitator's Guide

DISC Biblical Personal Profile System

How is this different from DiSC Classic?

- This 20-page booklet profile will describe your classic DiSC pattern, and also matches your style to a Bible personality with biblical passages.
- It gives valuable insight into different profiles through identifying with biblical personalities.
- It contains relevant scripture passages participants to refer to.
- The Biblical version enhances understanding and appreciation of the lives of key personalities from the Bible.
- Using both the New and Old Testament, key biblical personalities are included

The Biblical Personal Profile System is a paper product. Shipping charges will be calculated and invoiced upon receipt of order. Orders may be done on line or by telephone by calling 800-575-6817 / 262-567-6317.
