"I love this book!"

– Kim Murphy, Fox-6 TV interview 2/28/09

Burnt Toast & Jam is a perfect choice for these uncertain times as we think about how to handle the burnt toast in our life and find personal happiness. Packed with life lessons, readers have described it this way:

"In this negative world, this book was like a breath of fresh air."

"I loved everything about it. I couldn't put it down..."

"A fun read that reminds us all about what is really important."

Burnt Toast & Jam books can be purchased at *Judy's Greetings of Love*, and *Books & Co.* in Oconomowoc. They can also be ordered from your favorite book store, Amazon.com or signed copies may be obtained at www.kinza.net.
